The New Hampshire Department of Transportation announces a Public Informational Meeting will be held in Bedford on Tuesday, May 23, 2006 to discuss proposed improvements to the intersection of NH Route 101 with Hardy Road and Jenkins Road. The limit of work on NH 101 is approximately 1,500 feet east and west of the intersection, and approximately 500 feet on Jenkins Road and approximately 1,000 feet on Hardy Road.

The purpose of the May 23 public meeting is to present citizens and public officials with information regarding the proposed project and to solicit public input to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment. The 7:00 pm meeting will be held at the BCTV Meeting Room, 10 Meetinghouse Road in Bedford, New Hampshire.
